

FORESTERS

NINE BEAUTIFUL HOMES
AT THE HEART OF NEW BRADWELL

Welcome home

The Foresters Arms was a 19th century pub which served the community of New Bradwell for over 160 years.

The development includes the sensitive conversion of the pub into two bedroom houses, a charming new collection of four houses and a further three new build apartments, all with outside space and private gated parking.

Close to the amenities of New Bradwell and the added convenience of Wolverton station just 15 minutes walk away, these homes have much to offer.

Bradwell Lake, the River Great Ouse, Stanton Low Country Park and the Linford Lakes Nature Reserve are all within easy reach from your front door.

Make your home here

Choose from a range of thoughtfully crafted new homes, including three one or two bedroom apartments, two two bedroom houses, and four three bedroom houses.

Foresters' contemporary design blends seamlessly with its surroundings, offering modern living in a desirable village next to nature, with the benefits of Milton Keynes just minutes away.

THE DEVELOPMENT

Each home has unique characteristics that really make Foresters stand out. Thoughtful architecture has optimised the land to create a peaceful and spacious self-contained setting.

Practicality and wellbeing is at the forefront. Every home has secure parking and a balcony or garden, while the four three bed houses have 9ft ceilings on the ground floor.

You'll love the living spaces in these homes – light and welcoming, private and comfortable. They're perfect for relaxing and entertaining.

Milton Keynes, once termed a new town, is now a thriving 'new city'. A place that continues to expand and diversify, giving people a great host of activities to choose from.

Out and about in Milton Keynes

Café Rouge

The eating options are fantastic, with food from around the world represented. Enjoy Vietnamese or sumptuous Italian, burgers, or freshly made sushi or noodles.

If a celebration is in order, you have champagne bars and cocktail lounges serving up perfect drinks for any occasion. Equally, if coffee is your staple, there are plenty of options for a skinny flat white or an Americano.

Xscape Entertainment Centre

On top of the great retail, eating and drinking options, Milton Keynes also offers an exciting range of leisure and entertainment. Xscape is just one example, an amazing indoor entertainment destination with something for everyone. Try skiing in the Snozone, iFly skydiving, play Volcano Falls adventure golf, experience an Escape Hunt or impress the crowds with a strike at Hollywood Bowl.

If arts and heritage are what you enjoy in your leisure time then head to MK Gallery or the Milton Keynes Museum, or book tickets for a show at the Milton Keynes Theatre. For live music head to The Stables, where jazz, blues, rock, folk, pop and classical are all featured.

A place to grow

Milton Keynes draws families for many reasons. The exceptionally high quality of schooling, from nursery to college is just one.

The area has a wide range of excellent state, private, and pre-schools. New Bradwell School, Brooksward School and Bushfield School are Ofsted rated good, while Stanton School is Ofsted rated outstanding.

Foresters to the world

Wolverton is your nearest train station, where you can catch a direct train to London Euston, Northampton and Birmingham New Street, as well as hop on a train to be in the centre of Milton Keynes in just four minutes.

There are several local buses and 270km of safe paths.
